

NOTICE OF DEADLINE EXTENSION

NOTICE is hereby given that the deadline to submit comments on the West Village at Calabasas Draft Environmental Impact Report has been extended to **Thursday March 7, 2019 at 5:30pm.**

Please note that Appendix D of the Draft Environmental Impact Report has been updated to include the updated Geotechnical Review performed by Geolabs-Westlake Village, dated April 27, 2017. The circulated Draft Environmental Impact Report has analyzed the project based upon this updated geotechnical review, but the back-up document had been inadvertently omitted from Appendix D.
