Application Filing Requirements

SUBMITTAL CHECKLIST

MINIMUM APPLICATION FILING REQUIREMENTS

This checklist will be used by staff to determine if an application contains the appropriate materials and documents to begin the application process. All items listed below must be included. If any items are not included the project will not be accepted for submittal. This checklist is not used to determine whether a project application is complete for purposes of the Permit Streamlining Act.

Annexation / Sphere of Influence Amendment:

- Completed *General Land Use and Development Application* and filing fees.
- Completed *Supplemental Application - Amendments*.
- Completed *Supplemental Application – Environmental Assessment Information*.
- The project description shall include a complete description of the proposed use and reason for annexation to the City of Calabasas.
- Three (3) copies of the map showing the area proposed for annexation reduced to 8½”X11”.
- Public hearing information prepared in accordance with the *Public Notice Requirements*. In addition, if the proposed annexation affects property not owned by the applicant, the property owners affected shall also be included.

Note: The applicant will be requested to submit any materials necessary for submittal of the annexation to the Local Agency Formation Commission (LAFCO) for Los Angeles County

APPLICATION REVIEW AND APPROVAL BODIES:

Development Review Committee
Planning Commission
City Council
